

BRP ANNOUNCES TERMS OF \$250,000,000 SUBSTANTIAL ISSUER BID

March 30, 2022

Valcourt, Quebec, March 30, 2022 – BRP Inc. (TSX:DOO; NASDAQ:DOOO) today announced the terms of its previously announced substantial issuer bid (the “Offer”) pursuant to which BRP plans to offer to purchase for cancellation up to \$250 million of its subordinate voting shares (the “Shares”). All dollar amounts are in Canadian dollars.

The Offer will proceed by way of a “modified Dutch auction”. Holders of Shares and multiple voting shares wishing to tender to the Offer will be entitled to do so (i) by making an auction tender for a specified number of Shares at a price of not less than \$103.00 and not more than \$123.00 per Share in increments of \$0.25 per Share; or (ii) by making a purchase price tender without specifying a price per Share, but rather agreeing to have a specified number of Shares purchased at the purchase price to be determined by the auction tenders. Shareholders who validly deposit Shares or multiple voting shares without specifying the method in which they are tendering such shares will be deemed to have made a purchase price tender. The Offer does not provide shareholders with the opportunity to tender their Shares pursuant to proportionate tenders. All Shares purchased under the Offer will be cancelled.

The purchase price to be paid by BRP for each validly deposited Share will be determined upon expiry of the Offer and will be based on the number of Shares validly deposited pursuant to auction tenders and purchase price tenders, and the prices specified by shareholders making auction tenders. As a result, BRP’s shareholders who tender their Shares will set the purchase price for the Offer. The purchase price will be the lowest price (which will not be more than \$123.00 per Share and not less than \$103.00 per Share) which enables BRP to purchase Shares up to the maximum amount available for auction tenders and purchase price tenders, determined in accordance with the terms of the Offer. Shares deposited at or below the purchase price as finally determined by BRP will be purchased at such purchase price. Shares that will not be taken up in connection with the Offer, including Shares deposited pursuant to auction tenders at prices above the purchase price, will be returned to the shareholders.

If the aggregate purchase price for Shares validly tendered pursuant to auction tenders and purchase price tenders is greater than the amount available for auction tenders and purchase price tenders, BRP will purchase Shares from the holders of Shares who made purchase price tenders or tendered at or below the purchase price as finally determined by BRP on a pro rata basis, except that “odd lot” holders (holders of less than 100 Shares) will not be subject to proration.

BRP expects to mail the formal offer to purchase, issuer bid circular, letter of transmittal, notice of guaranteed delivery and other related documents (the “Offer Documents”) containing the terms and conditions of the Offer, instructions for tendering Shares or multiple voting shares, and the factors considered by BRP, its special committee and its board of directors in making its decision to approve the Offer, among other things, within approximately one week. The Offer Documents will be filed with the applicable securities regulators in the United States and Canada, and will be available free of charge on SEDAR at www.sedar.com and on EDGAR at www.sec.com. Shareholders should carefully read the Offer Documents prior to making a decision with respect to the Offer.

The Offer will not be conditional upon any minimum number of Shares being tendered. The Offer will, however, be subject to other conditions described in the Offer Documents and BRP will reserve the right, subject to applicable laws, to withdraw, extend or vary the Offer, if, at any time prior to the payment of deposited Shares, certain events occur.

Holders of multiple voting shares will be entitled to participate in the Offer. Multiple voting shares taken up by BRP will be converted into Shares on a one-for-one basis immediately prior to take up. Beaudier Inc. (“Beaudier”) and 4338618 Canada Inc. (“4338618”) and, collectively with Beaudier, “Beaudier Group”, which collectively hold approximately 27.6% of BRP’s issued and outstanding Shares and multiple voting shares, have advised the Company that they intend to tender multiple voting shares at a price and for a number of multiple voting shares to be determined prior to the expiration of the Offer, with a view to, based on their assessment and assuming successful completion of the Offer, maintaining their proportionate ownership interests in BRP.

BRP’s board of directors approved the making of the Offer and the purchase price for Shares upon recommendation of its special committee. However, none of BRP, its special committee, its board of directors, the dealer manager or the depository makes any recommendation to any shareholder as to whether to deposit or refrain from depositing any Shares under the Offer. Shareholders are urged to carefully evaluate all information in the Offer, consult their own financial, legal, investment and tax advisors and make their own decisions as to whether to deposit Shares or multiple voting shares under the Offer and, if so, how many such shares to deposit and at what price or prices.

The Offer referred to in this press release has not yet commenced. This press release is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell BRP’s shares. The solicitation and the offer to buy the Shares will only be made pursuant to Offer Documents to be filed with the applicable securities regulators in Canada and the United States. The Offer will be optional for all shareholders, who will be free to choose whether to participate, how many Shares or multiple voting shares to tender and, in the case of auction tenders, at what price to tender within the specified range. Any Shareholder who does not deposit any Shares (or whose Shares are not repurchased under the Offer) will realize a proportionate increase in equity interest in BRP, to the extent that Shares are purchased under the Offer.

BRP has retained RBC Capital Markets to act as financial advisor and dealer manager in connection with the Offer and Computershare Investor Services Inc. (“Computershare”) to act as depository. Any questions or requests for information may be directed to Computershare, as the depository for the Offer, at 1-800-564-6253 (Toll Free - North America) or 1-514-982-7555 (outside North America) or to RBC Capital Markets, as dealer manager for the Offer, at 1-855-214-1269 (Toll Free).
